

Deditos bank

Instructions

Materials:

- Print outs of the different Deditos figures to color and glue on the bank
- A tall (potato chip or similar) container with a plastic removable lid
- Colored pencils or crayons
- Glue

Optional

- Construction paper for a background
- Cotton balls, glitter, rick rack etc. to add additional details to the banks.

Step 1:
Choose a design
for your bank.

Step 2:
Color (and
decorate) the
picture

Step 3:
Glue the picture
onto the
cylinder.

Step 4:
Cut an opening
large enough for coins
and folded bills into the
plastic lid *the adult
supervisors might need
to do this for the
children
